

So What Can I do to help?

There are lots of ways you can help THP help people who are homeless in this area:

- Donate good quality furniture (small items suitable for a bedsit or small flat)
- Donate food or toiletries for making up hampers
- Join our 100 Club (a fun way to contribute **and** a chance to win a cash prize)
- Make a donation, or even pledge a regular sum
- Volunteer to help us at fund-raising events; or become our new Events Co-ordinator.
- Get involved by receiving our newsletter regularly
- If you own a property you could rent out, consider letting it, via Rentstart, to someone who is desperate for a home to call their own.
- Become a Trustee and help make the decisions about the work of THP
- Tell other people about us
- Invite us to have a bric-a-brac and information stall at your church or club
- Be prepared to speak out against the scandal of homelessness.
